“You must contact your supplier to get them to upgrade your equipment so you can accept these cards.”

If you if you rent a terminal from us, or use our E-Commerce service to accept payments online, the good news is that we'll automatically update them so you're able to accept these new cards.

Action Required

If you own your own terminals, rent them from a third party or use a Payment Service Provider to accept payments online, you **must** contact your supplier to get them to upgrade your equipment so you can accept these cards by the dates stated above.

Doing this will protect you from loss of business due to being unable to accept transactions from cardholders that have cards issued in the new BIN ranges. It'll also help prevent you from receiving any operational fines for not being able to accept the new cards.

If you have any queries regarding this change, please contact your Relationship Manager or call us on 0345 702 3344*, selecting the option for 'all other enquiries'.

*Lines are open Monday to Friday, 9am - 6pm, excluding public holidays. To help us continually improve our service, and in the interests of security, we may monitor and/or record
